About Our Beneficiary

NEMOURS CHILDREN'S HEALTH COMPASSIONATE CARE FUND

The Nemours Children's Health Compassionate Care Fund is key to achieving our vision of **creating the healthiest generations of children.**

Support for the fund provides children with the highest quality medical care and programs that address their emotional, economic and social needs. From innovative research and ambitious advocacy to training tomorrow's leaders in pediatric medicine, the fund helps ensure a healthier future for children and families in Central Florida and beyond.

Philanthropy — especially for the Compassionate Care Fund — allows us to recruit world-leading pediatricians, create state-of-the-art facilities and deliver a genuinely holistic model of care for our patients. Simply stated, donor contributions, including gifts from individuals, foundations and corporations power our unrelenting work to help children achieve their optimal health, **well beyond medicine.**
